

"Red Chutor" Boarding House

A „Red Chutor” boarding house is a house built in German style, on the base of the former German house, equipped with all modern facilities. It is located in a village called „Vladhorst”, now – Konev. At the ground floor there is a ballroom furnished in a hunting style, with trophies hanging on walls and wooden, historic furniture. Here you can eat tasty meals of fresh vegetables and herbs from the greenhouses, eggs and goat’s milk.
